17. In respect of compliance of Section 30(2)(a), of the Code, it is seen that there is a provision in the resolution plan Chapter VI clause 6.1 provides for payment of CIRP costs in priority over payments to any other creditors. *Be that as it may it is made clear that Insolvency Resolution Process cost shall be paid in its entirety by the resolution applicant in priority to other debts of the corporate debtor.*

18. As regards compliance of clause (b) of Section 30 (2) of the Code, the Resolution Professional has certified that clause 6.2 of the resolution plan provides for the payment of the debts of

operational creditors in such manner as may be specified by the Board (IBBI) which shall not be less than the amount to be paid to the operational creditors in the event of a liquidation of the corporate debtor under Section 53.

19. There appears to be no discrimination in the resolution plan in respective class of creditors, as same treatment is provided to similarly situated each class of creditors. So long as the provisions of the Code and the Regulations have been met, it is the commercial wisdom of the requisite majority of the Committee of Creditors which is to negotiate and accept a resolution plan, which may involve differential payment to different classes of creditors. Needless to say, that the ultimate discretion of what to pay and how much to pay each class or subclass of creditors is with the Committee of Creditors. Equitable treatment has been accorded to each creditor depending upon the class to which it belongs.

20. As a sequel to the aforesaid discussion it is seen that clause (b) of sub-section (2) of Section 30 of the Code stands satisfied. In terms of Section 30(2)(c), the Resolution Plan provides for management of affairs of the corporate debtor after approval of the Resolution Plan. The management of the affairs and control of

the business of the corporate debtor after approval of the Resolution Plan has been provided at clause 10.3 of the Resolution plan which, *inter alia*, provides that the Company shall continue as a going concern and operate in its normal course of business upon implementation of the Resolution Plan. The Resolution Professional has confirmed in the compliance certificate given in Form H that the Resolution Plan provides for the management and control of the business of the corporate debtor.

21. Chapter 10 clause IV of the Resolution Plan provides for adequate means for supervising its implementation that fulfills the requirement envisaged by Section 32(2)(d) of the Code. It has been stated that one representative of Lenders alongwith two representatives of resolution applicant shall act as the monitoring agency.

22. In short, the resolution professional has certified that the said Resolution Plan complies with all the provisions of the Insolvency and Bankruptcy Code 2016, the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 and does not contravene any of the provisions of the law for the time being in force.

23. The Resolution Applicant has given adequate declaration and undertaking on their eligibility to submit the Resolution Plan. At para 4(ii) of Form H Resolution Professional has also certified that *the Resolution Applicant has submitted an affidavit in this regard*. It has been confirmed that the Resolution Applicant is eligible to submit resolution plan and does not fall under any of the categories as mentioned in Section 29A of the Code.
24. As a sequel to aforesaid discussions, we are satisfied that all the requirements of Section 30 (2) are fulfilled and no provision of the law for the time being in force appears to have been contravened.
25. In respect of provisions of Regulation 39 (4), the RP in Form H states that the compliance of said provision has been done. A bank guarantee of Rs. 3.30 crore from Bank of Baroda and a RTGS of Rs. 1 crore has been made.
26. The Resolution Professional has confirmed compliance of Section 38 (2) and (3) in the compliance filed alongwith the application.
27. The ex-director/ suspended director Mr. Chandra Prakash, has filed an I.A. 1802 (PB)/ 2020, praying for allowing the I.A. 1166 (PB)/ 2019 and set aside the order dated 30.05.2019

passed by the Adjudicating Authority and allow withdrawal of petition in view of the settlement between the parties. The I.A. 1166 (PB)/ 2019, has been filed by Mr. Ranjeet Rama Krishna, for withdrawal of Company Petition No. IB-272 (PB)/ 2019 on account of settlement between the parties.

28. The records reveal that, vide order dated 05.07.2019, the applicant in I.A. 1166 (PB)/ 2019 was given directions to present a proposal to satisfy the claims of all the Financial Creditors, However, it failed to bring in any such proposal and also the RP has filed an affidavit wherein, it states that the Petitioner in I.A. 1166 (PB)/ 2019, Mr. Ranjeet Ramakrishna Yadav, vide email dated 27.07.2020, states that the settlement arrived at between him and the Suspended-Director is null and void as the settlement entailed certain conditions which have not been fulfilled by the Suspended-Director. Since the plan has been approved by the CoC with requisite majority, now the Suspended-Director cannot raise all these objections. A set procedure is devised under the Code for withdrawal of the CP, as long as such proposal has not come forth, this Bench cannot go by the untenable objections raised by the Suspended-Director,

therefore we have not found any merit in the application filed by the Suspended-Director.

29. In view of the aforesaid discussions and as no infirmity have been brought out upon screening of the Resolution Plan; *we hereby approve the Resolution Plan submitted by M/s Gautam Builders in consortium with Rapid Contracts Pvt. Ltd. under sub-section (1) of Section 31 of the Code.*

30. We also grant Liberty to the monitoring Committee to apply to the Tribunal for any further direction in order to ensure effective implementation of the plan, if such a necessity arises.

31. In respect of reliefs and concession sought for in the Plan which are beyond the jurisdiction of this Tribunal, liberty is accorded to the Monitoring Committee to pursue such matters before the relevant authorities which shall be considered in accordance with law.

32. In terms of sub-section (4) of Section 31 of the Code the resolution applicant shall obtain the necessary approval required under any law for the time being in force within a period of one year from the date of this order or within such period as provided for in such law, whichever is later.

33. It is clarified that Section 30 (2) (f) of the Code mandates that the resolution plan should not be against any provisions of the existing law. The Resolution applicant therefore, shall adhere to all the applicable laws for the time being in force under the proposed Resolution Plan, whether or not specifically provided therein.

34. The Resolution Professional shall forward all records relating to the CIR Process and the Resolution Plan to IBBI to be recorded at its database in terms of Section-31(3)(b) of the Code.

35. The approved 'Resolution Plan' shall become effective from the date of passing of this order.

36. For the Resolution Applicant already conceded to pay off ₹26,97,196 to M/s HDFC Bank, the same being reflected in the order dated 31.07.2020; notwithstanding the quantum of payment payable to HDFC Bank mentioned in the Resolution Plan, we hereby direct the Resolution Applicant to pay off the same to HDFC Bank as ordered.

FREE OF COST COPY

37. I.A. 1802 (PB)/ 2020 and I.A. 1166 (PB)/ 2019 are hereby dismissed as misconceived. I.A. 2201 (PB)/ 2020 in CP No. (IB) 272 (PB)/ 2019 is hereby disposed of.

The order is pronounced. Let the copy of the order be served to the parties involved in the plan.
